

PROFILE

Looking forward to start an alternance year as a motion design graphist, starting from February 2018, with the Ecole Multimédia School in Paris.

A professionally confident, energetic and capable graphic design, digital & print and 3D real time background team member.

Naturally confident in communication, with a fluent level in English thanks to 3 years spent in England.

Customer skills have been developed during previous retail positions

EXPERIENCE

Fev - Sept 2014 **Interactive Systems Studio (UK)** | 2D/3D Graphist intern

Design, modelisation, texture and animation of 3D elements contributing to the low poly virtual environment alongside marketing materials for the iOS racing game Brake To Win. Through the use of 3DsMax, Photoshop and Unity I have developed a varied array of computing skills. Able to adopt concepts and generate self-directed research in keeping with the intended vision of the final project. Excellent communication within an interdependent team allowed to ensure the product to be developed cohesively.

9 -13 April 2014 **Laval Virtual 2014** | Product creator and presenter

As part of a team of 3, I created and presented a virtual reality immersive prototype device (dedicated to the functional walking rehabilitation following a hip operation) to industry officials at the Laval Virtual international conference. Presenting our project as a professional, to professionals. Using 3DsMax, Photoshop and Unity.

March - May 2013 **Imprimerie de Laval, France** | Graphist intern

The designing of flyers, posters, booklets and leaflets for private and public events using InDesign and Photoshop were a few of the design tasks asked by Laval council. Continuous communication with the client was crucial in developing a succesful art design product, which delivered the intended message.

February 2013 **e-decllic, France** | Graphist intern

Creation of websites, icons, banners and leaflets using InDesign, Photoshop and FireWorks.

Aout 2017 - Dec 17 **Mission Intérim** | Restauration / Factory

Sept 2016 - May 17 **Flirt Café Bar (UK)** | Team Member, Barrista

Aug 2015 - 2016 **Marriott Highcliff Hotel (UK)** | Conference & Banqueting

Feb - April 2015 **E.Leclerc - France** | Cashier

June - July 2015

ÉDUCATION

2013 - 2014 **Professional Bachelor of Arts** | ESCIN (Laval, France)
(Superior School of Interactive Digital Design)
Speciality 3D real time.

2011 - 2013 **DUT Service et Réseaux de Communication** | Université
Du Mans (Laval, France)
Communication, graphisme, programmation, multimédia.
